APRIL 2019 NEWSLETTER

Chapter Director's Thoughts

GWRRA Chapter NeNe Friends:

Some spring like weather has arrived! We know some of you have taken the bikes out for a ride or two. I have not been on the bike yet. Gary has ridden a time or two, but has been slowed down a little because of his little slip and fall last month. He is healing and we are about to change the riding habits as we have a couple of rides planned!!

We want to congratulate our new couple of the year, Dennis and Carmella Rodby. We recently found out from our District Membership Coordinator that they do qualify to compete in COY competitions. We would be very honored if they chose to do so and encourage them to do it. It is always a lot of fun and you meet and make so many friends! We are very proud of them and their dedication to our organization and our chapter. They rarely miss a get-together, if ever, and join us in other activities also. Congratulations to Chuck Steffen as our new Individual of the year. Chuck is always helping out the chapter and thinking of ways to make things entertaining and welcoming for new members. We are glad to call these folks and all of you our friends!! What a great family our chapter is!!

Thank you to Marvin Blunck, Rod Cook and Gale Retzlaff for hosting the get-together last month at Jerry's Hilltop. There were 23 bikers attending. Most of you know that the Tiger Tavern suffered extensive damage in the flood last month and their future is uncertain at this time. They are able to do some catering and we may want to plan for them to do a picnic or catering event for us sometime in the near future. Bob and his staff have always been real accommodating and supportive of our chapter!!

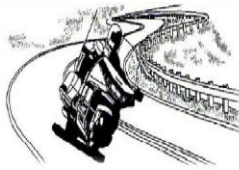

A **HUGE** THANK YOU to Jerry and Debbie Wiese FOR helping out and leading our chapter last month at the get-together!!. Gary and I really appreciate their assistance and support.

This month, our get-together will be at Jerry's Hilltop with Jerry and Debbie Wiese hosting. It is on April 17th at 7pm. Working folks have a hard time getting to the get-togethers earlier.

District Director, Donna, would like our focus now to be on our District Rally in Broken Bow. Get your reservations and your registrations in to help make this a GREAT district event. She would like everyone to email, text or call her with your beginning mileage for 2019. She is planning some activities, games and prizes with these #s. Bring them to the get-together and Cindi will email them in for you.

Ride Safe! See you soon!

Rider Educator, Jerry
Wiese
