NOVEMBER 2018 NEWSLETTER

Chapter Director's Thoughts

GWRRR Chapter NeNe Friends:

First of all a Great BIG THANK YOU to Jerry and Deb Wiese for stepping up at the last min, and chairing the Oct. get-together for us. We did not know we would be back in surgery that day. Thanks also to all for the lovely get well card I received and the phone calls to see how I am doing. It is so wonderful to have you all as extended family and care as you do. We go from week to week with the foot so not much has changed. Stitches are out. Less pain, but still no weight bearing. Thank you to Jerry and Shirley for hosting the evening and the dessert for the door prizes. And while we are in the thanking mode we want to wish everyone a very **Happy and Blessed Thanksgiving.**

Time to put the motorcycles on the trickle chargers for now. More wintery weather is in the forecast. Gary and CJ had a nice ride on Nov. 1st with Marv and some others so they can say they rode in November. Just because the motorcycles are put away does not mean the fun ends. We have get togethers every month and a Christmas party and we can plan other activities as well. And we can plan and dream about the rides next summer. **WE WILL BE MEETING A WEEK EARLIER THIS MONTH DUE TO THE THANKSGIVING HOLIDAY SO OUR NEXT OUR NEXT GET-TOGETHER WILL BE AT JERRY'S HILLTOP ON NOVEMBER 14TH!** The evening will be hosted by Duane and Betty Schroeder. See you all there

From Other Writers

Hi Friends: I would like you all to please open and read the District newsletter. There are rides and get-togethers and other information for you to enjoy. Lots of information, too. I am forwarding it to all of you or you can get it off the web. Thank you.

District Training Event

Is your CPR up to date? Could you stop a person from bleeding to death until help arrives? If the person at the table next to you started to choke and gave the international sign for choking could you help? Now let's bring this closer to home. What if this was your family member that this was happening to? Do you know what to do or when was the last time you refreshed those skills?

All good questions. To help you find the positive answer, John and Cheryl Papson, Chapter Directors of Nebraska Chapter O (NE-O) have organized a NE/SD District Training Event comprised of First Aid (FA) and Cardio Pulmonary Resuscitation (CPR) refresher training. All GWRRA members are invited to attend, especially those folks residing in our own District. The training will occur after the NE-O Breakfast and Get-Together in November. Details are as follows:

- Event:** **GWRRA Medic First-Aid, FA and CPR Training**
- When:** **Saturday, November 17, 2008**, After NE-O monthly Get-Together;
NE-O will meet at the Golden Corral Buffet and Grill located at 1511 Gregg Rd Bellevue, NE. (just off of Cornhusker Rd and Rte 75). Breakfast will begin at 8 AM and the Get-Together at 9 AM. Buffet is all you can eat or you can order off the menu. Everyone will relocate to the training site after the meeting.
- Training Site: Nebraska Medicine - Bellevue (BMC)**
2500 Bellevue Medical Center Drive. Bellevue NE. 68123
(Located on the South West corner of NE SH 370 and 25th St.)
Lower Level Conference Rooms
- Training:** Medic First-Aid FA and CPR
- Cost:** **ONLY \$20.00 per person** (IF you show it cheaper... we'll price match)
- Instructors:** Lance and Diane Brozek, Michael Olson
- Time:** **11:00 AM** to Finish
- Lunch:** BMC Café
- RSVP** by Saturday November 10 to cornhuskerjohn@yahoo.com

In addition to possibly saving a life; if you are Level 3 or above, this training is required to maintain your certification in the Rider Ed Levels program. Come on out and certify or renew your FA/CPR certification. You'll be glad you did

CONGRATULATIONS
